

LibertyMat

LibertyMat is the ultimate light/medium duty road mat!

- » Market leading man-handleable temporary access and ground protection mat
- » 100% recycled High Density Polyethylene
- » Connection options for different ground conditions and equipment
- » Fast and easy to install
- » Supports loads up to 80 tonnes*
- » Unique Chevron Traction® surface
- » Reversible low profile surface (optional)
- » Low transportation and handling costs
- » Optional non-slip reflective markings
- » Use over soft or sensitive ground

GroundGuards®

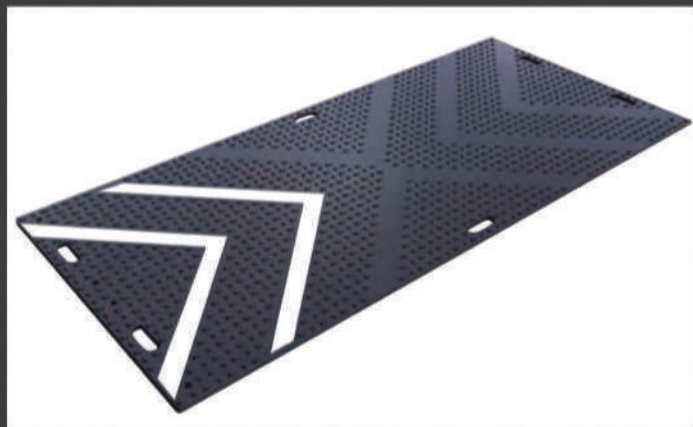

Applications

- » Construction, civil engineering and ground work
- » Temporary access and roadways
- » Pedestrian walkways
- » Emergency access routes
- » Utilities and infrastructure maintenance
- » Golf course and sports field maintenance
- » Sports and leisure events

Features

Technical Specifications

Material:	100% recycled HDPE	
Dimensions:		
Length:	2410mm	7'11"
Width:	1200mm	3'11"
Depth:	12mm	0.5"
Weight:	35kg	77lbs
Surface Area:	2.9m ²	31.2ft ²
Transportation:	650 x Mats per EU standard curtain sided 13.6m trailer	

*Compression tested at National Physical Laboratory, UK

Connector Options

Urethane 2 or 4 way connectors are inserted from below and attached via M10 bolts. Metal Fast-Fit connectors can be inserted from above for speed of installation

Eco-friendly

LibertyMat significantly reduces damage to eco-sensitive areas, avoiding the need for reinstatement once the project is complete.

Light-weight

Weighing just 35kg (77lbs) LibertyMat is ideal for both short and long term projects. Incorporating strategically positioned handholds, EuroMat is easy to off load and deploy by a two man team.

Chevron Traction® Surface

LibertyMat's high traction surface comprises of a broken pattern of rugged nubs which substantially improves the grip and forward motion of heavy equipment or vehicles and reduces side way slippage, even in the most challenging weather or ground conditions. Optional hi-vis markings and cats eyes can be incorporated into the mat for additional safety at night.
