THE FUTURE OF SITE SAFETY AND EFFICIENCY AT AN UNBEATABLE PRICE

Roadway tread

Walkway tread

## Quality Protection Without the Premium Price

### Lightweight, Durable and Easy to Install

- Maximise site safety without breaking the bank - a cost-effective solution that reduces slip and trip hazards.
- Light in weight and robust in performance - easy to handle and stands up to heavy-duty use.
- Versatile and reversible, with a walkway tread on one side for pedestrians and a roadway tread on the other for vehicles.
- Reliable steel 'clip' joiners ensure a secure and straightforward setup, reducing installation and de-rig time.
- Moulded from recycled premium grade HDPE, ensuring top-notch durability while promoting eco-friendly practices.

**Overall Size:** 2.4m x 1.2m x 12mm

**Surface Area:** 2.88m<sup>2</sup>

**Weight:** 38kg

**Connectors:** Choice of bolted or wire joiners

**Material:** 100% Recycled HDPE

**Load Capacity:** 60 tonne

### IDEAL FOR USE BY

- CONSTRUCTION
- EVENTS
